

"Now, if you can find the power switch, flip it on."

"THIS COMPUTER IS EQUIPPED WITH AN AIRBAG IN CASE YOU FALL ASLEEP!"

**Casual Friday for the
Telecommuter**

Ever notice, the older we get,
the more we're like computers ?

We start out with lots of
MEMORY and DRIVE
then we become outdated,
and eventually have to get
our parts replaced....;)

Stupid computer
keeps saying
"you got mail"

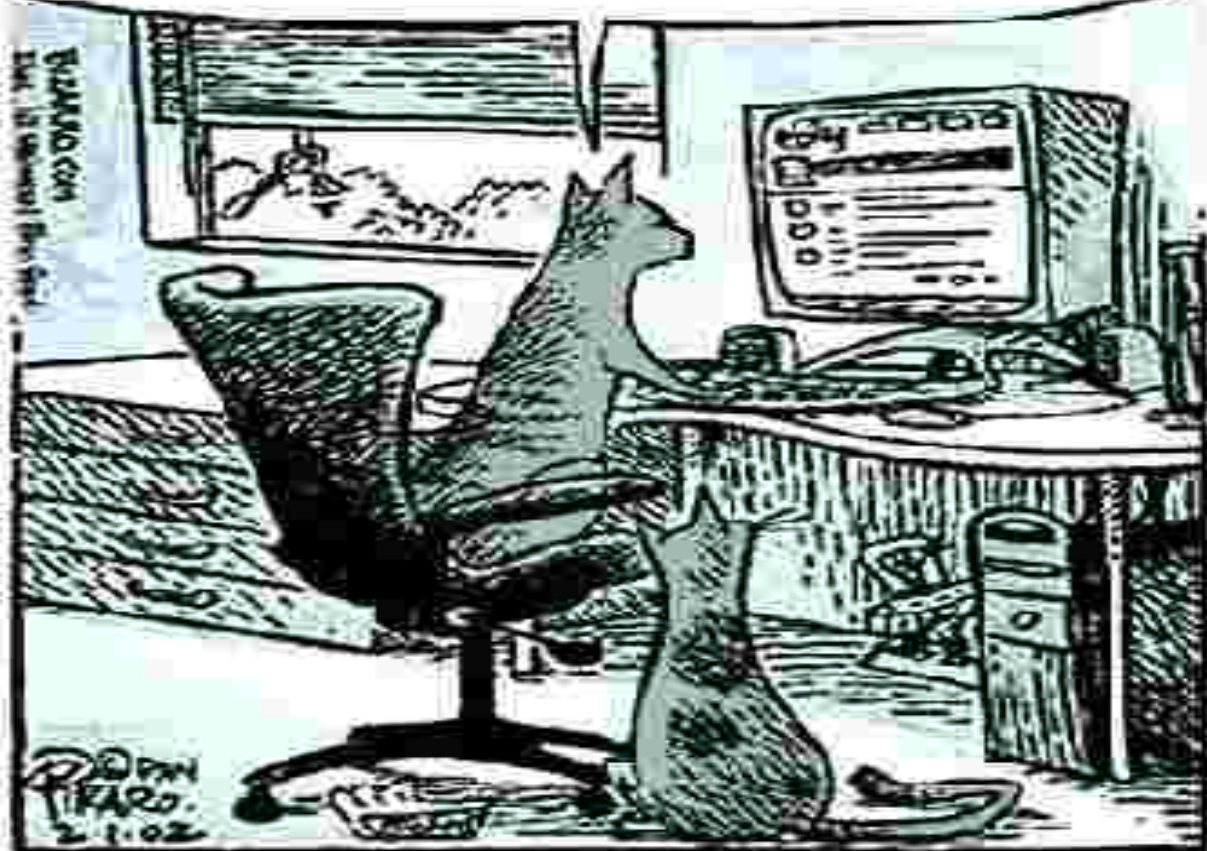

"There are better ways to log off."

Cool. I just sold the dog on EBAY.

It's going to take me a little longer
to answer my e-mails now....

"All I did was hit the delete button"
